

The image features a central text block surrounded by a decorative border of eucalyptus branches. The branches are thin and brown, with small, rounded, green leaves that have a slightly waxy texture. The leaves are arranged in a way that they appear to be framing the central text, with some branches extending from the corners towards the center. The background is a plain, light color, possibly white or a very light cream, which makes the green leaves and the black text stand out prominently.

HOTEL MIRAMAR BARCELONA

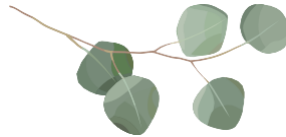

WEDDINGS
